IN ORDINARY TIME

## Father's Message

Dear Brothers and Sisters in Christ,

"Indeed, the word of God is living and effective, sharper than any two-edged sword, penetrating even between soul and spirit, joints and marrow, and able to discern reflections and thoughts of the heart."

According to St. Paul in his letter to the Hebrews, there are two key aspects of Sacred Scripture. First, the Word of God is living. Scripture speaks to the deepest parts of our minds and hearts, shedding light on every aspect of human life. From joy and excitement to despair and gloom, it touches on every emotion, feeling, celebration, and tragedy. To say Scripture is old or outdated simply isn't true; it covers every part of the human experience.

The second aspect is that Scripture is effective. Because it understands the human experience, it serves as an excellent tool and remedy for life's challenges and joys. Scripture isn't just a decoration or a collection of feel-good sayings. When we read and practice it in faith, it brings about real change in our lives and in the lives of those around us.

So, the next time you come across a Scripture verse that resonates with you, ask yourself two questions: How is this verse alive in my life? How can I make it effective?

With the peace of Christ,  
*Father Arvion Rosales-Elantos*  
Parochial Vicar
