**12TH SUNDAY
IN ORDINARY TIME**

"WHY ARE YOU TERRIFIED?
DO YOU NOT YET HAVE
FAITH?" - *Mark 4:40*

Dear Brothers and Sisters in Christ,

Do not be afraid; the Lord will calm your storm!

Happy Sunday and God's blessing to you. We are entering into the twelfth Sunday of the church's ordinary time. In it, the Holy Mother Church reminds and encourages us, her children, that Christ is with us even amid all the storms of this life. Therefore, this is a worthy cause for celebration and thanksgiving because we are so glad that Jesus cares for us.

Both the first reading from Job and the Gospel of Mark today reminds us that God is the world's creator. Hence, he has the power to control and regulate all the natural, physical and spiritual forces or activities going on in this world. God has the whole world in his hands. So, he directs the course of our lives and the history of this world.

He knows when best to intervene both in our personal lives and in the history of our entire world. This is evident in his timely response to Job and his intervention in the situation of his disciples. According to our second reading, when God intervenes, he does so because of love for us. This was what he did when he allowed his only son Jesus Christ to die at the appropriate time to save and renew us.

Life is full of storms. At times, they can become so strong and strange that our human strength can no longer support us. At such moments fear and complaints, he might take over the central stage of our life. Even in some cases, we might lose our faith in God, thinking that he has abandoned us, or that he does not exist. These storms come in different forms.

Just trust in the Lord and surrender yourself and God will calm all the storming situations in our lives. Have a wonderful week. God bless you.

With love and prayers,

Father Sebastian Soosai
Pastor

**Questions to ponder
this week based
on Sunday's Gospel**

When have you experienced a turbulent time but realized that Jesus brought you safely to the other side?

How can you cultivate a greater sense of trust when you experience something challenging now, i.e., what can you do to keep your eyes on Jesus who is calm even in the midst of a storm?
